

## **TeamCain, a Premier JD Edwards® and PeopleSoft® Consulting and Value Add Solution Provider, Awarded 2011 Partner of the Year by Global Software Inc. and its Worldwide Certified Partner Channel**

RALEIGH, NC and TORONTO, ON (Jan. 17, 2012) – Global Software, Inc., the official author of the Automation Road Map Strategy™ for Microsoft® Excel and the No. 1 provider of Microsoft Excel-based automation solutions to the leading Enterprise Resource Planning (ERP) platforms, has named TeamCain, a Canadian-based JD Edwards® and PeopleSoft® consulting and value add solution partner, as its 2011 Partner of the Year.

The award, which was presented to TeamCain in a special ceremony on January 12<sup>th</sup>, reflects the synergy between TeamCain and Global Software Inc. Their dynamic partnership has impacted the JD Edwards and PeopleSoft business in a positive way by bringing Global Software, Inc's flagship Spreadsheet Server, Powered by the QueryExchange™ to TeamCain's JD Edwards and PeopleSoft customers in North America.

"We have a number of great partners who do a superb job promoting our Automation Road Map Strategy for Microsoft® Excel. TeamCain clearly had a stellar 2011," said Bjorn Beer, Director of Strategic Account Development, Global Software, Inc. "TeamCain displays tremendous energy, passion, and commitment to their partnership with Global Software, Inc. We are honored and thrilled for TeamCain and are looking forward to a repeat performance in the JD Edwards and PeopleSoft markets in 2012."

"We are ecstatic to have been recognized as the 2011 Partner of the Year. The solutions from Global Software have provided amazing value for our customers, so our success is really a reflection of the success enjoyed by our clients," said Michael Guerin, President, TeamCain. "The power of the Automation Road Map Strategy for Microsoft® Excel is of huge benefit to organizations looking to improve their reporting and analytics with an end user tool their users already know – Microsoft® Excel.
